

Clues	What You Found
1. Look for something that can grow to be really big. It looks different in summer, fall, and winter. Part of it is used to make paper.	
2. This is something pretty. We give a whole bunch to someone who is sick to cheer her up.	
3. We use these to mark a place in Hopscotch.	
4. This is a living creature that can do something people cannot do except by getting in an airplane.	
5. Look for another living creature that stays around even in winter because it has food hidden to eat.	
6. We bury one of these in the ground so that a new tree, flower, or other plant will grow.	
7. Not everybody likes these little creatures because their bites itch.	
8. This is what holds the seeds for trees that grow to be Christmas trees.	
9. When this gets close to the ground, it is fog.	
10. Look for something that could be used by a bird to build a nest.	
11. Every living creature needs food to live. Look for something that is food for people or animals.	
12. This falls off of trees when it's windy.	
13. You will not be able to see this, but it feels good on your skin if you are outside on a hot day.	
14. If you were building a log cabin, you could put this between the logs to make your house warmer.	
15. To help keep God's world a pretty place, look for something on the ground that shouldn't be there. Take it inside to put in the trash or recycle bin.
